

# LANSERIA COUNTRY ESTATE 4x4 EXPERIENCE

Lanseria Country Estate invites you to enjoy its latest addition to its already multi varied set of offerings. We present you our 4 x 4 DRIVING EXPERIENCE. The track is ideal for a solid introduction to the wonderful world of off road adventure and a great family outing. Our track obstacles are set in a natural environment and guests will commence with relatively easy to overcome obstacles with difficulty increasing as they progress through the course. For the enthusiast more challenging routes are available and we also offer recovery courses. These are ideal for those who are planning a long excursion in their off road vehicles. The type of obstacles you can expect to find with us will be steep gradients, side slopes, cross axles, mud ruts, ditch crossings and water crossings.

## TEAM BUILDING

We also offer great facilitated team building events ideal for Motor Vehicle Dealerships and Motor Vehicle Manufacturers. Team Builds are priced according to clients specific requirements

### TEAM BUILDING ON TRACK

- Groups to be broken up into teams of four or more
- Teams to choose an appropriate team name and to also prepare a war cry
- Each group will be given a particular vehicle task and 30 minutes to complete
- Each group will have an opportunity to compete each task
- A monitor from Lanseria Country Estate 4x4 track will supervise each team for scoring purposes but more importantly from a safety perspective
- Points will be allocated for each exercise
- Penalties will see points deducted during the exercises
- Points will be awarded for the team name, the war cry effort and the amount of obstacles conquered during the timed session
- The team with the most points will be declared the track champions
- Due to the presence of penalty points a team could very well end up with minus points at a particular task

## **TEAM BUILD EXERCISES**

### **BALANCING ACT**

Here a vehicle will have a plate stuck to the bonnet with prestick.

A tennis ball will be placed in the plate and should the ball fall from the plate, 1 point will be deducted and the vehicle must halt until a team member returns the ball to the plate

### **SPOT THE DIFFERENCE**

Here teams will have two similar vehicles but with different specs, here the teams must note the features that one has that do not feature in the other

### **HANDLE THE PANHANDLE**

A vehicle will have to be driven down a narrow panhandle into the pan where it needs to be turned around and exited through the same panhandle that it entered. Each time the vehicle touches a barrier points will be deducted.

### **FORWARD AND BACK FLATS**

Two vehicles will be parked adjacent to each other, one facing forward and the other backwards. A rope holding a board will be suspended between the vehicles and the objective will be to knock over as many obstacles as possible.

### **THE BLIND LEADING THE BLIND**

Driver will be blindfolded and will be guided by their team members through a set of obstacles. Points will be awarded for each successful run and of course deducted for and obstacles touched.

## **SELF DRIVE**

We are also open to those who simply want to come and drive the course. Rates are R400 per vehicle. Rate include a R100 food and beverage voucher redeemable at @ThePlace2B, our onsite restaurant.
